Closed Sessions

The Board may meet in closed session to discuss subjects allowed by statute but may not take final action except for the expulsion of students and matters pertaining to or examination of the confidential medical records of a student, including that student's educational program.

Closed sessions may be held during regular, special or emergency meetings for any reason permitted by law.

The presiding officer will announce the closed session by identifying the authorization under NRS 241.033 for holding such session and by noting the subject of the closed session.

A closed session may be convened by the President, upon request of three Board members or by common consent of the Board for a purpose authorized under NRS 241.033.

If a closed session is held pursuant to NRS 241, the following shall not be made public: the name of the minor student; the issue, including the student's confidential medical records and educational program; the discussion; and each Board member's vote on the issue.

All closed session minutes shall be kept in written or tape-recorded form.

Content discussed in closed sessions is confidential.
