

## **Board Meeting Agenda**

The Board President and the superintendent will prepare an agenda for all regular meetings of the Board. Items of business may be suggested by any Board member, staff member, student or citizen of the district by notifying the superintendent at least ten working days prior to the meeting.

A consent agenda may be used by the Board for non-controversial business. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be approved at the same time. A Board member may ask that any item be removed from the consent agenda. The removed item will then be placed on the regular agenda.

The agenda will follow a general order established by the Board. Opportunities for the audience to be heard will be included. The Board will follow the order of business set up by the agenda unless the order is altered by the President or by a consensus of the Board.

The agenda, together with supporting materials, will be distributed to Board members at least three full working days prior to the meeting. The agenda will be available to the press and to interested patrons through the superintendent's office at the same time it is available to the Board members. Request for mailing must be submitted to the Superintendent's Office in writing. Copies of the agenda for the press and public will not contain any confidential information included in the Board members' packets.

A copy of the agenda will be posted in each district facility, three public facilities, the location of the meeting, and the district web site 3 days prior to the meeting.

The district will ensure equally effective communications are provided to qualified persons with disabilities upon request as required by the Americans with Disabilities Act.
