

Development of Administrative Regulations

The Board delegates to the superintendent the function of specifying required actions and designing detailed arrangements to operate the district in accordance with Board policy. These detailed arrangements constitute the regulations governing the district.

The superintendent will carefully weigh the counsel given by representatives of staff, student, parent and community organizations regarding those regulations. He/She will inform the Board of such counsel in presenting regulations.

The Board will adopt regulations when state laws require the Board to do so. It may also adopt regulations when the superintendent recommends Board action.

The Board reserves the right to review all administrative regulations and procedures, but it will revise them only when, in the Board's judgment, they are inconsistent with policies and regulations set by the Board.

Board members will receive copies of all new or revised district regulations. Students and staff will be advised of all regulations affecting them.
