

Code: **DD**
Adopted: Dec. 11, 2008

Funding Proposals and Applications

The district shall pursue federal, state or private grants or other such funds that will assist the district in meeting adopted Board and district goals.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent may review the proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.

The Board shall, before an acceptance of such funds, consider the district's obligations, expectations or encumbrances when the grant ceases.
