Staff Expense Reimbursement

Expense reimbursement for staff traveling on approved district business will be governed by the following procedures. Travel expenses include travel fares, meals and lodging and expenses incident to travel. Only travel expenses as are ordinary and necessary in the conduct of approved travel for district business purposes and directly attributable to it will be reimbursed. As used in this regulation an “ordinary” expense means one that is common and accepted in the profession; a “necessary” expense means one that is essential and appropriate in order to conduct district business. Reimbursement procedures established by the district will also apply to Board members traveling on district business, as applicable.

In-District Travel – Use of Private Vehicles

1. Staff will use district-owned vehicles, whenever possible, in conducting district business that requires travel within district boundaries.
2. Private vehicles may be used in conducting district business only with prior approval.
3. In-district travel approval may be granted for individual trips or by blanket approval, as deemed appropriate.
4. Travel in a private vehicle for the purpose of conducting district business may be approved when:
 - a. A district vehicle is not available;
 - b. The destination is not conveniently accessible by commercial carrier;
 - c. Various points must be visited and commercial carrier schedules are such that the use of commercial carrier transportation is not practical;
 - d. Carrying articles by commercial carrier would not be feasible;
 - e. Commercial travel is deemed to be less economical.

Out-of-District Travel (In-state) – Use of Private Vehicles

Staff will use district-owned vehicles, whenever possible, in conducting approved district business that requires in-state travel outside district boundaries.

Private vehicles may be used only with prior building principal approval. Out-of-district travel approval may be granted by the superintendent or building principal for trips or by blanket approval, as deemed appropriate.

Out-of-State Travel

Out-of-state travel requires prior superintendent approval.

Insurance Coverage

Insurance costs are included as part of the mileage reimbursement for employees authorized to use a private vehicle to conduct district business. It is the responsibility of the owner or driver of the vehicle to be certain that the vehicle is adequately covered by insurance.

The responsibility of the district for damages resulting from vehicle accidents is not the same as set forth in the district's general liability insurance policy. The employee's insurance coverage provides primary coverage when the employee is driving his/her own vehicle on approved district business.

All district employees operating private vehicles on approved district business are required to complete and maintain on file with the district verification of vehicle liability insurance that meets or exceeds statutory minimum limits. This verification is required prior to any district approval to conduct district business in a private vehicle. Employees are required to update their verification of vehicle liability information maintained on file with the district upon **any** change in the employee's vehicle insurance coverage.

Meals and Meetings

Reimbursement will be made for ordinary and necessary meal expenses incurred in the course of approved travel for district business. Meals include amounts spent for food, beverage, taxes and related gratuities. Alcoholic beverages will not be reimbursed by the district. See **Expense Reimbursement Request and Accounting Procedures** below. Expenses in excess of the district's established limit are ordinarily the responsibility of the employee and may be reimbursed only with superintendent approval.

Reservations, Commercial Carrier and Lodging

Travel must be conducted in the most expeditious and cost-effective manner, as determined by the district.

Vehicle Rentals

Rental vehicles may be used only when use will effect a savings or otherwise be more advantageous to the district or when the use of other transportation is not feasible.

Rental of a compact vehicle is recommended when suitable for approved district business because of the lower initial rate and the guaranteed rate. Certain rental agencies guarantee the compact rate in all owned stations and in most licensee stations, which means that if a reservation for a compact vehicle is accepted and one is not available, a standard-sized vehicle will be substituted at the compact rate.

Rental vehicles will be used only for official travel or in lieu of taxi for necessary travel. Any additional costs incurred for other usage will be the personal responsibility of the traveler.

Cancelled Trips

If an employee cannot leave at the scheduled time, it is his/her responsibility to call the travel agency or carrier and arrange to have the tickets cancelled or exchanged.

Commercial carrier reservation cancellations must be made at least 24 hours before departure time, whenever possible.

Lodging reservations must be cancelled by the employee as soon as possible to avoid a cancellation charge.

If a trip is cancelled after an advance and/or tickets have been issued, the advance and tickets must be returned to the business office immediately.

Personal Travel Combined with District Business Travel

If an individual traveling on approved district business engages in both business and personal activities, travel expenses incurred will be reimbursed only for expenses that are ordinary and necessary in the conduct of district business. Expenses incurred as a part of personal business are the sole responsibility of the traveler.

When personal travel is combined with approved district business travel and the individual is traveling by less than the most expeditious and cost-effective manner, any additional costs must be paid by the traveler.

Time away from work caused by traveling by less than the most expeditious means available for personal purposes must be charged to vacation or other appropriate leave.

Vacation or other personal leave may be taken in conjunction with approved district travel subject to the following:

- a. Time delays related to approved district business are charged as working time even if no work is performed;
- b. If the employee travels by less than the most cost-effective manner, as determined by the district, for approved district business or for personal travel combined with travel for district business purposes, he/she must pay the additional cost (e.g., increased fare, meals, lodging expenses, etc.) incurred as a result of the personal travel;
- c. All subsistence and local transportation (taxi, vehicle fare, etc.) while on vacation status or other appropriate leave must be paid by the employee;
- d. The traveler will not be required to pay any of the basic transportation costs incurred as a part of the approved district business, even though he/she spends a substantial part of the total time away from home on vacation or other personal leave, provided the employee was traveling on approved district business;

- e. A traveler who decides on his/her own to conduct district business without prior approval, while on vacation or other personal leave, cannot then use this as a justification to have the district pay his/her basic transportation cost from the district to the location visited, or submit a request for other expense reimbursement.

Expense Reimbursement Request and Accounting Procedures

1. Reimbursement requests detailing actual expenditures must be submitted on the district's travel expense form and approved by the superintendent in writing. Receipts and supporting documentation must accompany all expense reimbursement requests. This includes, but is not limited to, receipts for transportation, lodging, registration, conference and workshop fees. All requests must be submitted to the district office within 5 working days of the conclusion of the trip.

 - Allowance: Breakfast \$ 8
 - Lunch \$ 12
 - Dinner \$ 20

2. Gratuities must not exceed 18 percent and must be included as a part of the receipt.
Gratuities in excess of 18 percent are the responsibility of the employee and will not be reimbursed by the district.
3. Other expenses such as toll charges, parking fees, valet services, cleaning, pressing and laundry may be reimbursed if length of trip or circumstances demand.
4. Mileage reimbursement for actual miles traveled on district business, may be approved subject to the following limitations:
