

Code: **ECF**
Adopted: Dec. 10, 2009

Energy Conservation

The district encourages and supports an energy conservation and education program to lower substantially the consumption of electricity, natural gas, gasoline and water. It will be the responsibility of each district employee and student to participate in conservation efforts to reduce consumption to levels prescribed by state and federal guidelines while maintaining programs.

It is the responsibility of district administrators, through the superintendent's office, to implement, direct, monitor, evaluate and report district energy conservation efforts.
