

Code: **EEBAA**
Adopted: 07/08/2010

District Vehicles/Seat Belts/Child Safety System

All drivers operating district-owned vehicles shall use seat belts. Failure to do so is grounds for dismissal.

The driver of any district-owned vehicle, except school buses, is responsible for determining that the proper number of seat belts is available for the passengers and their use is required. The vehicle shall not be driven until the driver and all passengers are buckled up and properly secured.
