

## **Facilities Development Goals**

To provide and maintain facilities that offer the best possible physical environment for learning and working, the Board, in consultation with the superintendent and in consideration of the input from staff, parents and the community, aims specifically toward:

1. Providing buildings and renovations that will accommodate and facilitate those new organizational and instructional patterns that support the district's educational philosophy and instructional goals;
2. Meeting all safety requirements through the remodeling of older structures;
3. Providing building renovations as needed to meet state and federal requirements on the accessibility and usability of facilities to persons with disabilities;
4. Building design, construction and renovation that will allow low maintenance costs and the conservation of energy.
