

Code: **FF**  
Adopted: Nov. 12, 2008

## **Naming New Facilities**

Schools will be named by location whenever possible. Schools and facilities may be named for individual persons who have been outstanding in educational endeavors or who have worked for better schools and educational programs in the community and/or in the state.

Names may be presented by petition, by chosen committees or by other representative groups in the area. The Board has the final decision in naming schools. The superintendent will establish and maintain a list of suggested names for school buildings.
