Special Education - Free Appropriate Public Education (FAPE)

The district will provide each student with disabilities with special education and related services which:

- 1* Are provided at public expense, under public supervision and direction, regardless of the nature or severity of the student's disability, and without charge to the parent;
- 2* Include the variety of education programs and services available to non-disabled students, including art, music, industrial arts, consumer and homemaking education, vocational education and physical education;
- 3* Provide an equal opportunity for participation in nonacademic and extracurricular services.

All procedures will be retained in a handbook consistent with the policies and procedures as approved by, and on file with, the Lincoln County School District.
