Student Fund-Raising Activities

Students, with the permission of the principal and under the direct supervision of their advisors, may carry out fund-raising activities in which no outside fund-raising agency or contract is concerned. Where funds are to be raised through an outside agency or contracted activity, the activity must receive prior approval by the superintendent.

Activities concerned with fund raising for charitable or other causes not relating to school activities may not be carried on without prior approval of the principal and the superintendent. Schools within the district may initiate fund-raisers throughout the year for various activities.
