

Electronic Communications System

The Board is committed to the development and establishment of a quality, equitable and cost-effective electronic communications system. The system's sole purpose shall be for the advancement and promotion of learning and teaching.

The district's system will be used to provide statewide, national and global communications opportunities for staff and students.

The superintendent will establish administrative regulations for the use of the district's system including compliance with the following provisions of the Children's Internet Protection Act:

1. Technology protection measures, installed and in continuous operation, that protect against Internet access by both adults and minors to visual depictions that are obscene, child pornography or, with respect to the use of the computers by minors, harmful to minors;
2. Monitoring the online activities of minors;
3. Denying access by minors to inappropriate matter on the Internet and World Wide Web;
4. Ensuring the safety and security of minors when using electronic mail, chat rooms and other forms of direct electronic communications;
5. Prohibiting unauthorized access, including so-called "hacking" and other unlawful activities by minors on-line;
6. Prohibiting unauthorized disclosure, use and dissemination of personal information regarding minors;
7. Installing measures designed to restrict minors' access to materials harmful to minors.

The administrative regulations will be consistent with sound guidelines as may be provided by the education service district, the Nevada Department of Education and/or the Government Standards and Practices Commission and will include a complaint procedure for reporting violations.

Failure to abide by district policy and administrative regulations governing use of the district's system may result in the suspension and/or revocation of system access. Additionally, student violations will result in discipline up to and including expulsion. Staff violations will also result in discipline up to and including dismissal. Non-student violations will result in restricted access of all facilities. Violations of law will be reported to law enforcement officials. Fees, fines or other charges may also be imposed.

 - a. Obscene, as that term is defined in Section 1460 of Title 18, United States Code;
 - b. Child pornography, as that term is defined in Section 2256 of Title 18, United States Code; or
 - c. Harmful to minors.
2. “Harmful to minors” as defined by CIPA means any picture, image, graphic image file or other visual depiction that:
 - a. Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex or excretion;
 - b. Depicts, describes or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
 - c. Taken as a whole, lacks serious literary, artistic, political or scientific value to minors.
3. “Sexual act; sexual contact” as defined by CIPA have the meanings given such terms in Section 2246 of Title 18, United States Code.
4. “Minor” as defined by CIPA means an individual who has not attained the age of 17. For the purposes of Board policy and this administrative regulation, minor will include all students enrolled in district schools.
5. “Inappropriate matter” as defined by the district means material that is inconsistent with general public education purposes and/or the district’s mission and goals.

General District Responsibilities

The district will:

1. Designate staff as necessary to ensure coordination and maintenance of the district’s electronic communications system which includes all district computers, e-mail and Internet access;
2. Provide staff training in the appropriate use of the district’s system including copies of district policy and administrative regulations. Staff will provide similar training to authorized system users;

3. Cooperate fully with local, state or federal officials in any investigation relating to misuse of the district's system;
4. Use only properly licensed software, audio or video media purchased by the district or approved for use by the district. The district will comply with the requirements of law regarding the use, reproduction and distribution of copyrighted works and with applicable provisions of use or license agreements;
5. Promote the installation and use of desktop and/or server virus detection and removal software;
6. Provide technology protection measures that protect against Internet access by both adults and minors to visual depictions that are obscene, child pornography, or with respect to the use of computers by minors, harmful to minors. A supervisor or other individual authorized by the building principal may disable the technology protection measures to enable access for bona fide research or other lawful purposes, as deemed appropriate;
7. Prohibit access by minors, as defined by CIPA and this regulation, to inappropriate matter on the Internet and World Wide Web;
8. Provide staff supervision to monitor the online activities of students to prevent unauthorized access, including "hacking" and other unlawful activities online, and ensure the safety and security of minors when authorized to use e-mail, chat rooms and other forms of direct electronic communication;
9. Determine which users and sites accessible as part of the district's system are most applicable to the curricular needs of the district and may restrict user access, accordingly;
10. Determine which users will be provided access to the district's e-mail system;
11. Notify appropriate system users that:
 - a. The district retains ownership and control of its computers, hardware, software and data at all times. All communications and stored information transmitted, received or contained in the district's information system are the district's property and are to be used for authorized purposes only. Use of district equipment or software for unauthorized purposes is strictly prohibited. To maintain system integrity, monitor network etiquette and ensure that those authorized to use the district's system are in compliance with Board policy, administrative regulations and law, the school administrators may routinely review user files and communications;
 - b. Files and other information, including e-mail, sent or received, generated or stored on district servers are not private and may be subject to monitoring. By using the district's system, individuals consent to have that use monitored by authorized district personnel. The district reserves the right to access and disclose, as appropriate, all information and data contained on district computers and district-owned e-mail system;
 - c. E-mail sent or received by a Board member or employee in connection with the transaction of public business may be a public record and subject to state archivist Regulations for retention and destruction;
 - d. Information and data entered or stored on the district's computers and e-mail system may become discoverable evidence if a public records request is made or a lawsuit is filed against the district. "Deleted" or "purged" data from district computers or e-mail system may be retrieved for later public records disclosure or disciplinary purposes, as deemed necessary by the district;

- e. Passwords used on the district's system are the property of the district and must be provided to their supervisor or designated district personnel, as appropriate. Passwords that have not been provided to the district are prohibited;
 - h. Transmission of any materials regarding political campaigns is prohibited.
12. Ensure all student system users complete and sign an agreement to abide by the district's electronic communications policy and administrative regulations. All such agreements will be maintained on file in the school office.

System Access

1. Access to the district's system is authorized to:
Board members, district employees, students in grades K-12, with parent approval and when under the direct supervision of staff or other members of the public as authorized by the system coordinator or district administrators consistent with the district's policy governing use of district equipment and materials.
2. Students, staff and Board members may be permitted to use the district's system to conduct business related to the management or instructional needs of the district or to conduct research related to education. Personal use of district computers including Internet and e-mail access by students and Board members is strictly prohibited. Personal use of district computers including Internet access and e-mail by staff is restricted. Any personal use by staff is limited to such uses as deemed permissible under the Nevada Government Standards and Practices Commission (GSPC) guidance (e.g., occasional use to type a social letter to a friend or family member, preparation of application materials for another position in the district, or computer games which may serve to improve the individual's keyboard proficiency and software component familiarity). Such use is restricted to the employee's own time.

General Use Prohibitions/Guidelines/Etiquette

Operation of the district's system relies upon the proper conduct and appropriate use of system users. Students, staff and others granted system access are responsible for adhering to the following prohibitions and guidelines which require legal, ethical and efficient utilization of the district's system.

These individuals and agencies are not affiliated with the district. All matters concerning merchandise and services ordered including, but not limited to, purchase terms, payment terms, warranties, guarantees and delivery are solely between the seller and the system user. The district makes no warranties or representation whatsoever with regard to any goods or services provided by the seller. district staff and administration shall not be a party to any such transaction or be liable for any costs or damages arising out of, either directly or indirectly, the actions or inactions of sellers.
4. The district does not warrant that the functions or services performed by or that the information or software contained on the system will meet the system user's requirements or that the system will be uninterrupted or error-free or that defects will be corrected. The district's system is provided on an "as is, as available" basis. The district does not make any warranties, whether express or implied including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein.

Sample Parent Letter

Dear Parents:

Your student has requested to participate in the district's electronic communications program and needs your permission to do so. Your student will be able to communicate with other schools, colleges, organizations and individuals around the world through the Internet and other electronic information systems/networks.

The Internet is a system which links networks creating a large and diverse communications network. Internet access allows your student the opportunity to reach out to many other people to share information, learn concepts and research subjects by the sending and receiving of messages using a computer, modem and phone lines.

With this educational opportunity also comes responsibility. It is important that you and your student read the enclosed district policy, administrative regulation and agreement form and discuss these requirements together. Inappropriate system use will result in discipline up to and including expulsion from school, suspension or revocation of your student's access to the district's system and/or referral to law enforcement officials.

Although the district is committed to practices that ensure the safety and welfare of system users, including the use of technology protection measures such as Internet filtering, please be aware that there may still be material or communications on the Internet that district staff, parents and students may find objectionable. While the district neither encourages nor condones access to such material, it is not possible for us to eliminate that access completely.

Attached to this letter are the following important documents:

- 3* An agreement for your student to read and sign stating his/her agreement to follow the district's Electronic Communications System policy and administrative regulation. This agreement requires your signature. It must be signed and renewed each year and will be kept on file at the school;
- 4* The district's Electronic Communications System policy and administrative regulation.

Please review these materials carefully with your student and return the attached agreement form to the school office indicating your permission or denial of permission for your student to participate in the district's electronic communications system.

Sincerely,

[System Coordinator/Administrator]

Lincoln County School District
Student Agreement for an Electronic Communications System Account

Student agreement must be renewed each academic year.
