

Code: **IKA**
Adopted: July 10, 2008

Grading System

The district's grading system shall be based on Board-adopted course content and is designed to enable the student and parent to clearly know how well the student is achieving course requirements.

Letter grades will be used in the district.

Grading will be on a nine-week basis. Schools implementing an "intersession" may develop grading on a less than 9 week basis. Grades may be based on many factors, such as: basic assignments, both oral and written; class participation; assessments/quizzes, special assignments; research; activities of various types and kinds; and special contributions.

At the beginning of the grading period, students and parents will be informed regarding the basis of the grades and the methods to be used in determining them.
