Student Progress Reports to Parents

Parents shall be regularly and fully informed of their student's progress in school.

The school will report a student's progress to the student and to his/her parents. The report will be clear, concise and accurate, and will provide a basis of understanding among teachers, parents and students for the benefit of the individual student. The Board directs the administration to develop progress report forms or cards in accordance with this policy.

In an effort to promote effective communications with individuals with disabilities, the school will provide progress reports in an alternative format upon request and with appropriate advance notice. Electronic posting of class grades is encouraged and required.

Full consideration will be given to the requests of the person with a disability in the selection of appropriate auxiliary aids and services.
