Crisis Prevention and Response

The Board recognizes that schools are subject to a number of potentially violent events. No school is immune from these events no matter the size or location.

The Board is committed to the prevention of violence against people or property in the schools or at school activities, whether by students, staff or others. While committed to each person's constitutional rights, including due process rights, the Board does not condone lawlessness. The Board knows that schools cannot be sanctuaries but protecting students in an increasingly violent world is a challenge that must be accepted.
