

NOTE: The phrase “this policy” refers to the policy in which the phrase occurs, and, when the phrase occurs in a regulation, to the policy which is associated with the regulation.

GENERAL

These policies are established to carry out the intent of the governing board to adopt uniform personnel policies that will enable each employee of the District to make his/her fullest contribution to the programs and services provided by the School District.

GENERAL PROVISIONS

Scope

The District retains the sole right to manage its affairs and direct its workforce within the existing framework of law (national, state, and local), but not limited to the right to plan, direct, and control its operations: to determine the location of its facilities; to determine working hours; to decide the types of services to be provided and the manner of providing them; to decide the work to be performed; to decide the method and place of providing its services; to determine the schedules of work; to hire, layoff, assign, transfer, and promote employees; to determine the qualifications of employees; to determine and re-determine job content; to determine the starting and quitting times; to make such reasonable rules and regulations not in conflict with any collective bargaining agreement, as it may from time to time deem best for the purpose of maintaining order, safety, and/or effective operations of its facilities and to require compliance therewith by employees; to discipline and discharge employees for cause. These management rights are not subject to the dispute resolution/grievance procedure except as may be provided in a collective bargaining agreement.

The contents of these policies do not constitute a contract of employment and should not be construed as a guarantee of continued employment with the District. In cases where application of these policies would conflict with a collective bargaining agreement that is in effect between a recognized employee organization and the District, the provisions of the collective bargaining agreement shall govern. In all other cases, these policies shall govern. Nothing in these policies is intended to supersede applicable state or federal laws or regulations related to personnel matters.
