

Relations with Home-Schooled Students

The district recognizes the rights of parents to educate students at home.

The district will not provide instructional materials, or lesson plans to students being instructed at home.

Students may, upon parent request, be allowed to participate in district programs such as physical education programs, instrumental and vocal music programs, or other selected options if space and materials are available. Such students must then adhere to regular attendance procedures as established by the school and must avoid disruption of said programs. Parents are responsible for transportation for students attending selected school offerings

The Principal or his/her designee shall evaluate transcripts and determine the value of prior credits and number of years of school attendance or equivalent for home-schooled students on a case-by-case basis.

Home-schooled students may participate in interscholastic activities as provided in the NIAA Handbook/Regulation and Lincoln County School District Policy LHB.
