ARTICLE III

GRIEVANCE PROCEDURE

3-1 A "grievance" is a disagreement between an individual, or the Association, hereinafter "grievant", and the District concerning interpretation, application or enforcement of the express terms of this agreement.

3-2 Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to the problems which may from time to time arise. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of the procedure.

3-3 Time Limits

If a grievance is not timely filed or moved to the next step in writing it is waived. For the purposes of this Article a "working day" is defined as any calendar day that the School District offices are open for business.

3-4 Step One-Superintendent

Any grievance may first be discussed with the aggrieved party's immediate supervisor, with the objective of resolving the matter informally. A grievant must file a written grievance with the Superintendent within ten (10) working days of knowledge of the occurrence which is the basis of the grievance and must include the contract provision(s) at issue and remedy sought. The Superintendent or designee shall respond to the grievance in writing within ten (10) working days of receipt of the grievance.

Step Two-Grievance Mediation

If the aggrieved party is not satisfied with the disposition of the grievance in Step One, then the aggrieved party may present the grievance to mediation in writing within five (5) working days after receiving the Superintendent's written response in Step One.

Procedures for Grievance Mediation:

1. The Superintendent must respond to a written grievance request for mediation within five (5) working days.
2. The mediator will be obtained from the Federal Mediation and Conciliation Service.
3. Both parties agree to comply with the rules and procedures of the Federal Mediation and Conciliation Service.
4. The mediator shall confer with the Superintendent or designee and the Organization, and hold a hearing within thirty (30) days or less.
5. If no solution is reached to the satisfaction of both parties, the grievance and all information in Step One shall be moved to Step Three.

Step Three-Arbitration

Within ten (10) working days after the mediation hearing where no solution is reached, the Association may request in writing that the grievance be submitted to arbitration.

Within ten (10) days after written notice of submission to arbitration, parties shall jointly request the Federal Mediation and Conciliation Service (FMCS) to submit a list of seven (7) arbitrators, one of whom shall be selected as arbitrator. Such selection shall be accomplished within ten (10) days by the parties each striking one (1) name from the list in turn until only one (1) name remains. The party requesting arbitration shall strike the first name.

The arbitrator's decision shall be submitted in writing to the District and to the Association only, and shall set forth findings of fact, and reasons for said decision on the issue(s) submitted. The arbitrator's decision shall be final and binding upon all parties and shall be consistent with the law and with the terms of this Agreement. The arbitrator shall not have the authority to modify, amend, alter, add to or subtract from any provision of this Agreement.

The costs of the services of the arbitrator and the cost of the hearing, if any, shall be borne equally by the parties. Each party agrees to bear its own costs, fees and expenses in the preparation, presentation and participation in the case before the arbitrator.

3-5 Individual Rights

Nothing contained in this article shall preclude an employee or the Association, with or without representation, from bringing a problem through the chain of command to the Trustees on an informal and oral basis.

3-6 Rights to Representation

At least one Association representative shall be present for any meeting, hearing, appeal or other proceeding relating to a grievance which has been presented under this article.

If, in the judgment of the Association, a grievance affects a group of employees or the Association, the Association may initiate and submit such grievance even though there is no individual aggrieved person who wishes to do so. Such grievances will commence at Step One.

When it is necessary for the Association to investigate a formal grievance or to attend a meeting or hearing held in connection therewith, upon request to the Superintendent, the grievant and one (1) Association representative will be released from normal duties, without loss of pay, in order to do so.

3-7 Miscellaneous

1. If a District employee is called as a witness during working hours, they will not suffer any loss of pay.
2. No reprisals of any kind shall be taken by either party against any party in interest, District representative or any other participant in the grievance procedure by reason of such participation.
3. Any party in interest may be represented at any level of the formal grievance procedure by a person of his/her choosing.
4. Decisions rendered at all levels of the formal grievance procedure shall be in writing and shall set forth the decisions and reasons therefore.
5. All documents, communications and records dealing with the processing of grievances shall be filed separately from the personnel files of the participants.
6. Forms for filing and processing grievances shall be agreed to by the parties and distributed by the Association. A grievance may also be presented in letter form.
7. A grievance may be withdrawn at any level by the aggrieved without prejudice.
8. The remedy available for any alleged breach of this Agreement or any alleged violation of rights hereunder granted shall be pursuant to the foregoing grievance procedure, provided however, that nothing contained herein shall deprive any party of any legal right.
9. Any and all time limitations as set forth in this section may be extended by written agreement of the parties.

- 10-2 An employee may restrain a pupil when it is essential for self-defense or for the protection of other persons or property.
- 10-3 This agreement shall not be interpreted as providing an all-inclusive statement of the rights and privileges of the employee and the Board of Trustees.

ARTICLE XI CORRECTIVE DISCIPLINE and TERMINATION

11-1 Corrective Discipline

Corrective and disciplinary action is designed to provide a fair and structured way for employees to improve their job performances and/or behaviors which do not meet the standards or demands of their position and to provide a system for fair and equitable treatment of all employees.

- a. The District will, through a corrective discipline system, give employees an opportunity to improve their job performances and/or

behaviors which do not meet the standards or demands of their positions. The goal of the corrective discipline system is to correct or improve unsatisfactory performance/behavior, and the measures utilized will be commensurate with the deficiency to be corrected.

- b. If disciplinary action is deemed necessary, the following steps will be taken:
 - 1. Verbal Warning/Reprimand-A verbal warning or reprimand is given to the employee for the first occurrence of a minor offense. A warning is administered by the employee's immediate supervisor.
 - 2. Written Reprimand--A written or formal warning is given to the employee in the first instance for more serious offenses or after repeated instances of minor offenses. The warning is administered by the employee's immediate supervisor. It states the nature of the offense and specifies any future disciplinary action which will be taken against the employee if the offense is repeated within a specified time limit. A copy of the written warning is placed in the employee's personal file, but it is destroyed twelve (12) months following the date on which it was given if the intervening service has been satisfactory. The employee is required to read and sign the formal warning. It shall be incumbent upon the employee to request files to be destroyed.
 - 3. Suspension Without Pay-If, despite previous warnings, an employee still fails to reach the required standards in the specified time frame, the employee may be suspended without pay. Under suspension, the employee is barred from working for a period of time, and his/her salary is docked accordingly. An employee may also be placed on suspension without pay pending discharge. A decision to suspend pending discharge is made based on the reasons for the discharge, and is generally utilized when the employee is suspected of gross misconduct, or when his/her continued presence during the investigation period would be a disruption to normal District business.
- a. Dismissal-An employee who fails to correct unsatisfactory performance/behavior during previous steps in the progressive procedure will be terminated.

11-2 Termination

- a. Probationary Employee Termination-If, during the probationary period of one (1) year, an employee's performance or conduct is not overall satisfactory or he/she fails to qualify medically for reasons that render such person unqualified for the position, the employee may be terminated. The probationary employee shall be evaluated three (3) times during the first year probationary period. The initial evaluation will be performed by the Superintendent not less than 30 days and no more than 90 days from the date of hire. The remainder of the evaluations shall be evenly spread during the remainder of the probation. Special care will be given to make sure the third evaluation will not occur during the last days of the probation in order to give the employee a chance to improve on any deficiencies.

Every probationary employee being terminated will be entitled to the following:

- a. The employee will be notified in writing before the 15th day of April. This notification will include a written statement declaring, clearly and explicitly, the specific reason(s) for the termination of his/her services.
- b. The employee may, within ten (10) days of the receipt of the statement of reasons, appeal the termination through the grievance procedure.

11-3 Post-Probationary Employee Termination

A post-probationary employee may be terminated or subject to disciplinary action in accordance with NRS 391.750.

In determining whether the professional performance of an employee is inadequate, consideration shall be given to the regular and special evaluation reports prepared in accordance with the District Policy.

11-4 Consideration Before Termination

Prior to termination an employee shall be given a warning and reasonable time to rectify the problem. This warning will include:

- a. A precise definition of the problem in terms of professional deficiency.
- b. A precise set of expectations delineating what level of performance constitute acceptable performance in the problem areas defined. A prescription for remediation which spells out courses of action and time expectations so the employee involved can reach an acceptable level of performance.
- c. A prescription of assistance by the Superintendent which spells out courses of action and time lines whereby the employee will be assisted and counseled in improving the level of performance to an acceptable level.

According to the gravity of the offense, employee discipline short of termination may consist of an oral warning, written reprimand or suspension.

Any incident or situation that arises during the current school year that could possibly be cited as a reason for termination will be discussed promptly with the employee.

The District reserves the right, with agreement of the union, to place an employee on probation for a period not to exceed ninety (90) days in an effort to further evaluate and rehabilitate the employee.

A post-probationary employee may be terminated without prior written notice, warning or admonishment in accordance with NRS 391.755(4).

11-5 Abandonment of Work

An employee absent from work in excess of three (3) days without a satisfactory explanation shall be considered to have abandoned his/her job and shall be terminated.

11-6 Just Cause

No post-probationary employee shall be disciplined, suspended, dismissed or terminated without just cause.

ARTICLE XII SAFETY and HEALTH

12-1 An employee, believing any working condition is unsafe, shall immediately notify his/her immediate supervisor. The employee has the right to refuse to expose himself/herself to immediate danger created by an unsafe working condition when such danger threatens substantial bodily harm. The employee having given notice of the condition to his/her immediate supervisor shall be subject to assignment to another duty while the condition is being investigated and/or corrected. It is the responsibility of the supervisor to determine if the condition is or may be unsafe. If such determination is made, the employee shall be assigned to another duty or another location while the condition is being corrected.

12-2 Should the supervisor conclude that the working condition is safe, and the employee insists to the contrary, the employee shall continue to work until the matter can be resolved between the District and the Association through the grievance procedure.

ARTICLE XIII EMPLOYEE PERSONNEL FILES

- 13-1 A copy of each written report, comment or reprimand concerning an employee which the District places in the employee's personnel file shall be provided to that employee prior to placement in the personnel file. The employee shall sign the personnel file copy of the report, comment or reprimand as acknowledgment of receipt of a copy of the document.

Such signature shall not be construed as agreement to the contents of the document. Any negative document shall not remain in the personnel file for more than a period of two (2) years, as long as there is no reoccurrence of the same instance.

- 13-2 The Superintendent shall maintain, for official District purposes, one (1) personnel file and one (1) medical information file for each employee. These files shall be kept under conditions that insure their integrity and safe keeping.
- 13-3 In the event an employee is charged with civil or criminal charges and cleared of said charges, there shall be no documentation or reference to it in the employee's personnel file.
- 13-4 An employee shall be given a copy of all material prior to its being placed in the personnel file and shall date and sign the material prior to its placement in the file. The employee shall have the right to examine his/her personnel file. Anonymous materials shall not be placed in the file.

An employee shall have the right to contest placement of unsubstantiated and inappropriately placed materials in the personnel file through the grievance process. In addition, the employee may with a ten (10) day period submit a written response to any material placed in the personnel file. This written response shall then be attached to the appropriate file material and placed in the file.

- 13-5 In a specific personnel action, no use may be made of any material which has not been properly placed in the official personnel file as directed in 13-4.

ARTICLE XIV
EMPLOYEE EVALUATION AND SUPERVISION

- 14-1 Employees will be evaluated according to the Lincoln County School District Regulations. The evaluation will be conducted, at a minimum, on a yearly basis with his/her immediate supervisor. The employee must sign the document to the effect he/she agrees with the evaluation. In the event he/she does not concur, he/she may indicate so, and is entitled to an appeal to the Superintendent or Board of Trustees, whichever is the next level of management.
- 14-2 No written periodic evaluation report or written reprimand concerning an employee will become a part of the employee's personnel file without the employee being presented a copy signed by both the employee and the evaluator thereof, and being given the opportunity to discuss the matter with the Superintendent.
- 14-3 The Association will be invited to provide input regarding the evaluation instrument adopted by the Lincoln County School District.

ARTICLE XV
NONDISCRIMINATION

- 15-1 The parties agree to comply with NRS 288.270 in its entirety with regards to nondiscrimination.

ARTICLE XVI
RETIREMENT

- 16-1 The District agrees to submit payment of 100% of the employees and districts contribution as required by the Public Employees Retirement System. The parties agree to comply with NRS 286.421 in its entirety with regards to payment of PERS contributions. In accordance with this, when NV PERS increases its rates after July 1, 2019, the District agrees to pay the District's 50% contribution portion. The employee's 50% contribution portion of the increase becomes subject to negotiation. In the event the District agrees to make payment on behalf of the employee's portion in lieu of an equivalent basic salary increase, such PERS rate increases will be recorded in this section of the Agreement:

<u>Date</u>	<u>Total PERS Increase</u>	<u>In Lieu of Salary Increase</u>
July 1, 2015	2.25%	1.125%
July 1, 2019	1.25%	.625%

If negotiations resulted in the employee paying their contribution portion of the PERS rate increase only, it would be reflected in a reduction of the salary schedule.

ARTICLE XVII DUES DEDUCTION

- 17-1 The District agrees to deduct dues from the salaries of the employees covered by this Agreement. Such deductions shall be made in accordance with the provisions of the dues authorization forms solely for those employees who have voluntarily executed such forms. These monies shall be transmitted promptly to the Nevada Classified School Employees Association.

- 17-2 The Association will certify to the District in writing the current rate of membership dues. The District will be notified of any change in the rate of membership dues thirty (30) days prior to the effective date of such change.

- 17-3 Deduction of Association dues may be requested by new members at any time during the school year.

ARTICLE XVIII TRANSFER

- 18-1 The intent of this Article is to facilitate the transfer of employees when such transfers are necessary or requested.

- 18-2 Transfer is the movement from one job classification to another or the change of work locations. Assignment is defined as the job of an employee.

- 18-3 A voluntary transfer is initiated by the employee.

- 18-4 An involuntary transfer is initiated by the District.

- 18-5 Involuntary transfers may be initiated due to decline in enrollment, the closing of a school, or any other condition that would require reducing the number of employees assigned to a school, work location or job.

- 18-6 For purposes of involuntary transfers, seniority shall be based on the amount of working time spent in Lincoln County School District, as long as the employee meets the qualifications of the job. The employee at the work site with the least seniority in the job classification to be affected will be identified for involuntary transfer.

- 18-7 Employees shall not be transferred because of the transfer of an administrator or supervisor unless the transfer is voluntary and unless the transfer is to a vacant position.
- 18-8 No transfer shall be initiated or imposed for disciplinary reasons.
- 18-9 No reduction shall take place in the hourly rate of pay of an employee upon an involuntary transfer. Disciplinary actions may affect pay, but not reduce the hourly rate of pay. An employee involuntarily transferring into a position that is paid less than the employee's current hourly rate of pay will remain at the same rate of pay until the employee's new hourly rate of pay increases in their new position.
- 18-10 An employee may initiate a voluntary transfer request by contacting the appropriate administrator where the posted vacancy exists.
- 18-11 A request for voluntary transfer will be accepted and given consideration along with new qualifications and experience in that job classification.
- 18-12 In the event it is necessary to involuntarily transfer an employee the following procedure shall be used:
- a. The employee with the least seniority with the Lincoln County School District will be transferred.
 - b. In the event there is no vacancy available, the provisions of Article 19, Reduction in Force will apply.
- 18-13 A temporary employee may be hired and assigned to any work location for up to thirty (30) days in response to temporary requirements for work.
- 18-14 An employee may be transferred to any work location for up to thirty (30) days in response to emergency conditions.

ARTICLE XIX

REDUCTION IN FORCE

- 19-1 The District retains the right to determine when a reduction in force or layoff is necessary, the number of individuals whose employment must be terminated, and the areas within which such reductions in force will occur. The District agrees to notify and consult with the Association prior to a RIF and will make available to the Association all relevant information upon request.
- 19-2 The District agrees to the following:

- a. Employees who volunteer to leave from the area or areas affected by the reduction in force will be the first to be reduced in force. Early retirement will be encouraged and an incentive for retirement may be used.
 - b. Any additional reductions will be determined by the District's administration. They shall determine the area that will lose positions. A seniority system will be used in determining further reductions of personnel.
- 19-3 Seniority shall be based on the amount of working time spent in Lincoln County School District. Upon request, the District will provide the Association with an accurate seniority list. Before an employee is released due to reduction in staff, he/she shall be given an opportunity to transfer to another position in which he/she has seniority. The last employee hired will be the first released in the area affected. A seniority list will be made at each RIF of an employee showing seniority in the job classification affected.
- 19-4 In the event two (2) or more employees have the same seniority, their performance record and improvement of skills on the job will be evaluated by the Superintendent and used as a determiner of which employees remain.
- 19-5 Notification of a RIF will be given to the employee before April 1 of the current school year. In an emergency, RIF notification will be as soon as determination of a need for a RIF has been made by the District.
- 19-6 Released employees shall be placed on leave of absence with no obligation by the District to rehire after the expiration of one (1) year. Each employee placed on leave of absence as aforementioned shall be reinstated in reverse order to reduction for new positions opening for which the employee is qualified. The District shall notify employees placed on leave of absence of subsequent vacancies by mail to the last address registered by the employee with the District personnel office.
- 19-7 The employee must respond to the District office within ten (10) working days of their desire to be re-employed. If the District is not notified, that employee's name will be dropped from the seniority list.
- 19-8 Current or RIF'd employees will not be replaced by subcontract employees.
