### **ARTICLE 3 GRIEVANCE PROCEDURES**

- 3-1 A grievance is a disagreement between an individual, or the Association, and the employer concerning the interpretation, application, or enforcement of the terms of this agreement.
- 3-2 For this article, a “school day” is defined as a Monday, Tuesday, Wednesday, or Thursday.
- 3-3 If a grievance exists, the following steps shall be taken to resolve it:

The parties acknowledge that it is usually most desirable for a teacher and the immediately involved supervisor to resolve problems through accessible and informal communication. Accordingly, any grievance may first be discussed with the aggrieved party’s Principal to resolve the matter informally.

#### **Step 1 Informal**

If a teacher requests an informal discussion with the principal of the school or the appropriate District director, if the assignment is not school-based, concerning the subject matter of a potential grievance, such informal discussions will be held within eight (8) school days after the affected teacher or the Association first knew of the act or condition upon which the potential grievance is based. If the informal discussion does not occur within the eight (8) school day time limit, a grievance may be processed to Step 2 as set forth below.

#### **Step 2 School Principal**

Within twelve (12) school days after the occurrence or of knowledge of the act or condition which is the basis of the complaint or five (5) school days after the informal discussion, the written grievance may be presented to the aggrieved party’s Principal. If the aggrieved requests a formal meeting, that meeting will be held within five (5) school days of the request.

The Principal will answer the grievance in writing within five (5) school days after receipt of the grievance or the formal meeting.

#### **Step 3 Superintendent of Schools**

If the aggrieved party is not satisfied with the disposition of its grievance at step 2, the party may file a written grievance with the Superintendent within five (5) school days.

The Superintendent or his designee will meet with the aggrieved party, his Principal, immediate appropriate supervisor, or both to resolve the grievance. Such a meeting will

occur within five (5) school days after receipt of the grievance by the Superintendent. Within five (5) school days after this meeting, the Superintendent shall render his decision to the aggrieved party in writing.

#### Step 4 Grievance Mediation

Suppose the aggrieved party is not satisfied with the disposition of the grievance in Step 3. In that case, the aggrieved party may present the grievance to Mediation within five (5) school days after receiving the Superintendent's response in Step 3.

##### Procedure for Grievance Mediation

1. The Superintendent must respond to a Grievance request for Mediation within five (5) school days.
2. The Mediator will be obtained from the Federal Mediation and Conciliation Service.
3. Both parties agree to comply with the rules and procedures of the Federal Mediation and Conciliation Service.
4. The Mediator shall confer with the Superintendent or his Designee and the Organization and hold a hearing within thirty (30) calendar days.
5. If no solution is reached to the satisfaction of both parties, the Grievance and all information in Steps 2 and 3 shall be moved to Step 5.

#### Step 5 Binding Arbitration

Suppose the aggrieved party is not satisfied with the disposition of the grievance in Step 4. In that case, the aggrieved party may present the grievance to binding arbitration within five (5) school days after the Mediator has responded.

The arbitrator will be selected in the same manner as outlined in Step 4.

If both parties agree, the Expedited/Streamlined Arbitration format will be used at this level.

The arbitrator will consider the grievance and render a decision which will be final and binding upon the parties.

#### 3-4. **Arbitration Costs**

The costs of all arbitration shall be borne as follows:

- a. The party shall pay the expenses, wages, and other compensation of any witness called before the arbitrator. Additional costs incurred, such as professional services, consultations, preparation of briefs, and data to be presented to the arbitrator, shall be borne separately by the respective parties.
- b. Costs for binding arbitration will be paid by the parties as determined by the arbitrator. The respective parties will bear the costs involved in the preparation, including witnesses.

### 3-5 **Individual Rights**

Nothing contained in this article shall preclude an employee or the Association, with or without representation, from bringing a problem through the chain of command to the Trustees on an informal and oral basis.

### 3-6 **Rights to Representation**

- a. At least one Association representative will be present for any meeting, hearing, appeal, or other proceeding relating to a grievance presented under this article.
- b. If, in the judgment of the Association, a grievance affects a group of teachers or the Association, the Association may initiate and submit such grievance in writing to the Superintendent directly, and the grievance will be processed at Step 2. The Association may process such grievances through all procedure levels, even though no individual aggrieved person wishes to do so. The Association may file administrative grievances above the building level at Step 2.
- c. When it is necessary for the Association to investigate a formal grievance or to attend a meeting or hearing held in connection with a formal grievance, upon request to the immediate supervisor, the grievant and one (1) Association representative will be released from regular duties, without loss of pay, to do so.

### 3-7. **No Reprisal**

No reprisal of any kind will be taken by the Trustees or the administration against any person because of participation in this grievance procedure.

### 3-8 **Cooperation of the Employer and Association**

The Trustees and the administration will cooperate with the Association in its investigation of any grievance, and both parties will furnish such relevant information as is requested to process any grievance.

### 3-9 **Exclusive Remedy**

The sole remedy available for any breach of this contract or an alleged violation of rights hereunder granted shall be under the forgoing grievance procedures before taking any other action. If the Association fails to comply with this section, the Employer may request arbitration as outlined in Step 4.

### 3-10 **Arbitrators Authority**

The decision of the Arbitrator shall be final and binding. The Arbitrator shall not add to, subtract from, or modify any of the terms of this Agreement or any supplementary Agreement. The award of the Arbitrator shall be based exclusively on the evidence presented at the hearing.

### 3-11 **Timelines**

The time limits at any level of the grievance procedure may be adjusted by written mutual consent of the parties involved.

#### **ARTICLE 4 ASSOCIATION ACTIVITIES**

The association agrees to pay the cost of the substitute's pay of the teacher attending fact-finding. It will not be construed to stop a teacher from attending state association and Southwest Regional meetings, nor any other N.E.A., N.S.E.A., or U.C.N. meetings to which they are official delegates or representatives.
- 4-5 The association shall have the right to place reasonably, appropriately identified notices, circulars, and other materials on school faculty bulletin boards and in the teacher's mailboxes.

- 6-2 Vacancies in the school district in existing or new permanent administrative or teaching positions during the school year shall be advertised at least two (2) weeks within the school district before selecting a person to fill the vacancy. All vacancies, transfers, and/or promotions will be posted

on the Lincoln County School District website until positions are filled. Applications from currently employed teachers will be accepted, and qualified teachers will be allowed to be interviewed for new positions before the school district considers new applicants.

- 6-3 It is agreed that principals should have the opportunity, whenever possible, to interview currently employed employees who may be under their jurisdiction to fill the particular teaching assignment.
- 6-4 The District "Letters of Intent" will be sent and made available to the employee by January 15 each year in 2 (two) formats, email and posted on the LCSD website. Notes not completed, signed, and returned by the deadline will indicate no intention to return, and the district will proceed to advertise the open position. The employee then notifies the district that s/he will be separating, and the district will take no punitive, harmful, or adverse action against the employee.

In cases when no properly licensed employee volunteered for an involuntary transfer, involuntary transfers will be based on reverse seniority among employees with the same certification or endorsement.
  - c. Employees who are involuntarily transferred shall be given 8 (eight) working days advance notice before the effective date of the transfer.
  - d. For Article 6-9, a transfer is the movement of an employee from one work location to another at a different work site.

6-9 **Reassignment**

- a. For Articles 6-10, a reassignment is the movement of a teacher from one subject area or one grade level to another subject area or grade level at the same work site.
- b. A reassignment may be initiated due to a decline in enrollment, curtailment of programs, courses, or services, or with administration advisement and in the superintendent's agreement.
- c. A reassignment shall not be arbitrary, capricious, or punitive.

- d. Before notifying an employee that s/he is being considered for reassignment, the principal must review the reasons with the Superintendent and receive approval to proceed.

- h. An employee affected by a reassignment will be provided with a list of openings available at the school (if multiple openings are available) and asked to prioritize preferred placements. The District must conduct an Exit Interview and establish a Special Pay Plan. CORRECTIVE DISCIPLINE AND TERMINATION**

## 11-1 Corrective Discipline

Corrective and disciplinary action is designed to provide a fair and structured way for employees to improve their job performances and behaviors that do not meet the standards or demands of their positions and to provide a system for fair and equitable treatment of all employees.

- a. Through a corrective discipline system, the district will allow employees to improve their job performance and behaviors that do not meet the standards or demands of their positions. The goal of the corrective discipline system is to correct or improve unsatisfactory performance/behavior, and the measures utilized will be commensurate with the deficiency to be fixed.
- b. If disciplinary action is deemed necessary, the following steps will be taken:
  1. Verbal Warning/Reprimand – A verbal warning or reprimand is given to the employee for the first occurrence of a minor offense. The employee's immediate supervisor administers a warning.
  2. Written/Reprimand – A written or formal warning is given to the employee in the first instance for more severe offenses or after repeated minor crimes. The employee's immediate supervisor administers the notice. It states the nature of the offense and specifies any future disciplinary action that will be taken against the employee if the offense is repeated within a specified time limit. A copy of the written warning is placed in the employee's personnel file, and it is destroyed twelve (12) months following the date it was given if the intervening service has been satisfactory. The employee is required to read and sign the formal warning.
  3. Suspension Without Pay – If, despite previous warnings, an employee still fails to reach the required standards in the specified time frame, the employee may be suspended without pay. Under suspension, the employee is barred from working for some time, and their salary is docked accordingly. Suspension without pay actions could range from one (1) to twenty (20) days.

An employee may also be placed on suspension without pay pending discharge. A decision to suspend pending discharge is made based on the reasons for the dismissal. It is generally utilized when the employee is suspected of gross misconduct or when their continued presence during the investigation would disrupt regular district business.

- c. Dismissal – Employees who fail to correct unsatisfactory performance /behavior during previous steps in the progressive discipline procedure will be terminated.

## 11-2 Termination

- a. Resignation – An employee who resigns shall submit their resignation in writing to the District and give at least two (2) weeks’ notice.
- b. The Association agrees that in the event any employee resigns on or after July 1 of the year in which the contract is tendered for the ensuing contract year that should, Lincoln County School District will suffer a financial burden of at least five percent of the base salary of the adopted teacher’s salary schedule in locating a replacement employee, that said employee shall pay Lincoln County School District five percent of the base salary of the adopted teachers’ salary schedule as liquidated damages in the event the employee resigns on or after July 1 of the year in which the contract is tendered for the ensuing contract year. This provision may be waived if the employee and the District mutually agree.
- c. Probationary Employee Termination – If, during the probationary period, an employee’s performance or conduct is not overall satisfactory or fails to qualify medically for reasons that render such person unqualified for the position, the employee may be terminated.

Every probationary teacher being terminated will be entitled to the following:

1. The employee will be notified in writing before the 15<sup>th</sup> day of April. This notification will include a written statement declaring, clearly and explicitly, the specific reason(s) for the termination of their services.
2. The employee may, within (10) days of the receipt of the statement of reasons, appeal the termination through the grievance procedure.

d. Post-probationary Employee Termination:

A post-probationary employee may be terminated or subject to disciplinary action if their performance or conduct is unsatisfactory by NRS391.750 <https://www.leg.state.nv.us/nrs/nrs-391.html>.

In determining whether the professional performance of a certificated employee is inadequate, consideration shall be given to the regular and special evaluation reports prepared per the District Policy.

e. Consideration Before Termination

Before termination, excluding termination under sections 3, 6, and 7 of these articles, an employee shall be given a warning and a reasonable time to rectify the problem. This warning will include:

1. A precise definition of the problem regarding professional deficiency

2. A precise set of expectations delineates what performance level would constitute acceptable performance in the problem areas defined.

- f. A prescription for remediation that spells out courses of action and time expectations so the teacher involved can reach an acceptable level of performance
- g. A prescription for assistance by the principal or immediate supervisor that spells out courses of action and timelines whereby the teacher will be assisted and counseled in improving the level of performance to an acceptable level.

According to the gravity of the offense, employee discipline short of termination may consist of oral warning, written reprimand, or suspension.

Any incident or situation during the current school year that could be cited as a reason for termination will be discussed promptly with the teacher.

The District reserves the right as a form of discipline to place an employee on probation for a period not to exceed ninety (90) days to evaluate further and rehabilitate the employee.

- h. An employee may be terminated without prior warning or caution by NRS 391.755(4)

Whenever the superintendent has reason to believe that cause exists for dismissing a certificated employee, when he thinks the immediate suspension of the employee is necessary for the children's best interests in the district, the superintendent may suspend the employee without notice and a hearing. Notwithstanding the provisions of NRS 391.312, a superintendent may suspend a certificated employee who has been officially charged but not yet convicted of a felony or a crime involving moral turpitude or immorality. If the charge is dismissed or the employee is found not guilty, he must be reinstated with back pay, interest, and standard seniority. The superintendent shall notify the employee in writing of the suspension.

- i. An employee absent from work over three (3) days without a satisfactory explanation shall be considered to have abandoned their job and be terminated.

11-3 No employee shall be disciplined, suspended, dismissed, non-renewed, or terminated without cause.

Notification must state the **final** two years of service, with **retirement occurring the last year**. Employees who do not meet this deadline are not eligible for this benefit. This benefit would be offered to certified employees who have completed fifteen (15) or more years of service in Nevada PERS or Lincoln County School District.

Or, an employee may receive the following benefits:

b.

The School District will offer certified personnel a longevity incentive of \$2,200 annually for the 28<sup>th</sup>, 29<sup>th</sup>, and 30<sup>th</sup> PERS year worked. To receive this benefit, employees must notify the District by the last day of February of the current school year so the District can budget for the longevity incentive (starting with the 2015-2016 school year). Employees who do not meet this deadline are not eligible for this benefit. This benefit would be offered to certified employees who have completed fifteen (15) or more years of service in the Lincoln County School District.

18-3 The School District may purchase up to two (2) years of retirement for certified personnel who have completed twenty (20) or more years of full-time (7 hours minimum per day) service in the Lincoln County School District if asked for in advance of the last two years of service, and a deadline of the last day of February of the current year so that the District can budget. ## **ARTICLE 20**

### **REDUCTION IN FORCE POLICY**

- 20-1 The School District retains the right to determine when a reduction in force/layoff is necessary, the number of individuals whose employment must be terminated, and the areas within which staff reductions will occur.
- 20-2 Subject to the determinations outlined in 20-1, the School District will do the following:
- a. Teachers who volunteer to leave the area or areas affected by the reduction in force will be the first to be reduced. Early retirement will be encouraged, and an incentive for retirement may be used.
  - b. The District's administration will determine any additional reductions. They shall determine the area, subject, or programs that will lose positions. These determinations shall be discussed at an open meeting of the Lincoln County Board of Trustees. A seniority system will be used to determine further personnel reduction.
- 20-3 **Seniority**

Seniority shall be defined as the total number of years with a teaching contract of employment from the date of hire by the Lincoln County School Board. The employment contract must be validated by a verified teaching license from the NV Department of Education, Teacher Licensure. Teachers granted sabbatical leave or other approved leave of absence will retain the seniority accumulated before leaving but will not have the absent time from Lincoln County School District added to their seniority. In the case of a teacher who has resigned (voluntarily terminated) and subsequently been rehired, seniority shall commence with the first paid day of work after rehire. Resignation forced on account of maternity shall not be considered for these purposes as a voluntary resignation.

Suppose two employees begin the accrual of seniority on the same date of hire by the school board. In that case, seniority ranking will be determined by 1) the date of application to the district and 2) a lottery.

Part-time teachers will have a fractional portion added to their seniority.

Before a teacher is released due to reduction-in-force, they shall be allowed to transfer to another position within Lincoln County School District where they have seniority, licensed certification, and received an “effective” or “highly effective” appraisal on the most recent evaluation. If a reduction-in-force is deemed necessary, the teacher with the least seniority will be the first teacher released unless no other teacher within Lincoln County School District can fill the position that their release causes to become vacant.

The District will create a seniority list on or before the last day of March of each year, and it will be posted at each school within the district. The seniority list posted will only include each employee's name and number of years employed.

This seniority list is effective upon union ratification and School Board approval.

- 20-4 If two or more teachers have the same seniority, the Board will determine which teacher they will retain.
- 20-5 Notification of a RIF will be given to the teacher before April 1 of the current school year. In an emergency, RIF notification will be sent as soon as the RIF is determined.
- 20-6 The laid-off teacher will be on the substitute teacher’s list.
- 20-7 Released teachers shall be placed on a leave of absence with no obligation by the School District to rehire after one (1) school calendar year expires. Each teacher placed on leave of absence as aforementioned shall be reinstated in reverse order to reduce new position openings for which the teacher is certified and qualified. The School District shall notify teachers placed on leave of absence of subsequent vacancies by mail to the last address registered by the teacher with the School District personnel office.
- 20-8 The teacher must respond to the School District office within ten working days of their desire to be re-employed. If the School District office is not notified within the first frame, that teacher’s name will be dropped from the seniority list.

## **ARTICLE 21 SUCCESSORSHIP CLAUSE**

C.O. Bastian's Salary Schedule has been added (see attachment).

#### C.O. Bastian Schedule Notes:

An employee hired to work year to year in a Summer School assignment at C.O. Bastian continues to perform year to year in that assignment unless the employee notifies the principal before the beginning of the school year that s/he no longer wishes to work in the assignment, or unless the principal determines that the employee will not continue in the Summer School assignment. The discontinuation of a Summer School assignment by a principal must be based on either a decline in Summer School assignments or based on legitimate performance issues.

In the event it is determined by the principal that an employee will not continue in a Summer School assignment, the elimination of the Summer School assignment will not affect in any way the employee's primary position at the Lincoln County School District.

An employee hired to work on a Summer School assignment will be paid on the C.O. Bastian Salary Schedule and must commit to completing the entire Summer School assignment for the following summer. Suppose an employee only satisfies part of the Summer School assignment. In that case, the District may reduce the employee's paycheck to an amount equivalent to the total number of days the employee did not complete their Summer School assignment.

Any employee contracted to work at C.O. Bastian will be subject to a contract term of 155 days and the option of 27 days for summer school and will be compensated accordingly. Any employee contracted to work at C.O. Bastian after July 1, 2020, will be subject to a contract term of 155 days PLUS 27 days for summer school and will be compensated accordingly to the year-round contract. Any employee contracted to work at C.O. Bastian for 155 days plus 27-day summer school will be given an additional personal day of 8.25 hours.
